

INDIANA MACK AND BUBBLES WIN COIN IN OPENING RACES

McGraw Horse Wins Three Straight Heats in 2:30 Trot—Bubbles Strong.

Indiana Mack, owned by Charles McGraw of Montpelier, Ind., and driven by McGraw took the \$300 purse in the opening event on the Springbrook track yesterday afternoon. Indiana Mack had no trouble in coming to the front and won the event, the 2:30 trot, in three straight heats.

Colonel Miller owned by New Shambolin of Topeka, Ind., and driven by Shambolin took second place by finishing second in the heats and fifth in the final. Echo Princess, driven by Jones and owned by J. B. Jones of Memphis, Tenn., finished third in the first two heats and a close second in the final and won third money. Colonel Miller, driven by Clemens and is the property of Harry Clemens of Goshen. In the three last heats Bubbles took the pole and held it throughout the race, never breaking under the careful nursing of Clemens and was able to open up when challenged for position.

Warren Dillon, driven by Cullen and owned by T. W. Ready of Niles, won second money by taking the opening heat two seconds and a third.

Little Dan driven by McGrath and Iwaca Master driven by Dan Master divided third and fourth money both taking a second, a third and two fourths.

The time for the heats, 2:15 1/2, 2:15 1/2, 2:15 1/2. The running race was won by L. C. with Garner up. L. Black Coffey with Kelley up was third and Danny Kid with Dick DeGrate up took fourth money.

DOUGLAS HAS NOT CHANCE TO STAGE 'RETURN' TO GAME

Fans to Play Losing Game in Attempt to Clear Phil's Record.

BY DAVIS J. WALSH.

NEW YORK, Aug. 22.—(By I. N. S.)—Some misguided persons are making a belated and foolhardy attempt to whitewash Phil Douglas in the eyes of the baseball public. A petition, so they say, is being circulated at the Polo grounds, asking the following question: "Do you believe Phil Douglas should be reinstated?"

That question, if ever propounded, should go down as something of a near classic of the burlesque circuit. This writer has nothing against Phil Douglas. Indeed, few confessed derelicts have been given the benefit of greater sympathy and the writer is one of those who feels that it was all a mistake on Phil's part. But he cannot come back to baseball any more than a self-confessed ascetic can be returned to his desk at the bank.

The reasons for this are obvious. First off, it would set a deplorable precedent. Again, there is no assurance that Douglas would not do something worse provided his habits are incurable, as alleged. Furthermore, the fans of the country, to say nothing of seven other National League clubs, would not stand for the Giants, already in bad favor, winning a pennant with a discredited pitcher.

BOYS! BOYS!

Do you know "School Days" is coming to the Oliver Theater next Sunday and all week with "Freckles Berry," the Great Boy Actor.

After due investigation, Brennan and Dempsey find that the governor of Indiana is the governor.

Orioles Too Good; Jack Dunn Forced to Sell His Stars

Against Own Wishes Baltimore Boss Must Scrap Great Ball Club.

BALTIMORE, Md., Aug. 22.—Three, maybe five, of those famous Baltimore Orioles are going up this fall. No wonder they smile.

Jack Dunn, Baltimore owner and manager, has done something that only one man before him ever did—he's developed a team that's too strong for the company it's in.

The Orioles must be scrapped, but the scrapping will bring Dunn a handsome profit.

Against his own wishes, against the wishes of Baltimore fans and against the wishes of a lot of baseball men around the country, Dunn is being forced to dismantle the machine that won three straight pennants and at this moment of writing has a lead of more than 15 games in the race for the fourth straight flag.

Many years ago Connie Mack built a baseball machine that was too good for the big leagues. Then he tore it down, not by choice, not because of any ultimatum.

Dunn Must Sell

Now Jack Dunn has been told by the other club owners in the International League that he must sell at least three of his stars this fall. They threatened to put the draft back on the league if he refused. He submitted.

For two years nearly every big league club has bid for the star Orioles players and Dunn laughed.

The Giants offered \$150,000 for three players—Bentley, Joe Boley and Jack Ogden. Dunn laughed some more.

Bentley and Boley—\$100,000 each. Max Bishop—\$75,000.

Jack Ogden and Merwin Jacobson—\$50,000 each.

Tommy Thomas—\$25,000.

Harry Frank—\$25,000.

Dunn will sell three of the lot. These are about the prices he expects.

Men's Past Work

Bentley is the minors' home-run king. He had 25 last year. This year he has 14, but, like Ruth, he's slow starting. He is the best left-handed pitcher in the game. When not pitching he plays first.

Boley is one of the best shortstops in baseball. He is young and has never had a major league trial. He is now hitting .393.

Bishop is a second baseman. He has just returned to the game after an injury. Last season he was the best second sacker in the league and hit well over .300.

Merwin Jacobson is the star of the outfield. For three seasons he has been up amongst the batting leaders.

Jack Ogden is the best right-hander in the league. He won 22 games last year and in one winning streak made 18 in a row.

Harry Frank leads the league now. He has won 13 and lost two.

Tommy Thomas is a youngster in the box. Veterans say he is the most promising pitcher in the league. He got a bad start but is going great now. He has won 10 and lost three.

He Probably Took a Walk After Dinner

SPOKANE, Wash., Aug. 22.—The marathon golf championship of the United States was claimed today by Arthur E. Velguth, 44, a contractor, who yesterday played 2 rounds on the Spokane down-river golf course.

A walk of about 53 miles was an incident in making the record.

And how did he do it? By eating raw eggs, cream and rye bread, no canned goods if avoidable, and keeping regular hours as a means of keeping fit. Mr. Velguth said. He confessed, however, to smoking 15 to 18 good cigars a day.

The marathon record was made under ordinary conditions. Play was started at 4:20 a. m., after a breakfast of four raw eggs and a half pint of fresh cream. Velguth did not eat again until 8 p. m.

The 198 holes were played with an average of 5.4 strokes each (total 1,069 strokes). The course is par 36 and Velguth's average round was 48.59. Play was continuous, and was completed in 7:20.

All this business of complaining that their physical powers are on the downgrade after they pass 40 is piffle," said Mr. Velguth, in commenting on his endurance. "It is all a matter of behaving oneself. I started to play the game last June on my 44th birthday, and have studied it closely, because golf has demonstrated its virtues as a physical and mental sustainer."

THEY'RE BETTING ON 'BIG BAMBINI' TO LEAD 'EM ALL

Fans Expect Ruth to Beat All Other Home Run Hitters This Season.

BY HENRY L. FARRELL.

NEW YORK, Aug. 22.—(By U. P.)—They've taken the "U" out of Babe Ruth's pet moniker and are calling him the "Big Bam" again.

The same fans who called him the biggest hit of the season a year ago are now ready to bet that he will be the champion buster of the season again this year.

It's worth odds that before the end of the season Ruth will be at the top of the home-run pile. Of course, it is impossible for him to make a new record but he will receive a lot of credit for spotting all the sluggers a start of five weeks and then leading them out.

The marathon record was made under ordinary conditions. Play was started at 4:20 a. m., after a breakfast of four raw eggs and a half pint of fresh cream. Velguth did not eat again until 8 p. m.

100 High School Grid Players To Try Out at Camp

Preliminary Instruction and Coaching Program for Week at Camp Eberhardt.

Eberhardt, the Y. M. C. A. summer camp on Corey lake is to be a mecca for local high school football aspirants for one week. The men will be under the personal charge of Coach Elmer Burnham, who will be assisted by G. A. Cooper, Y. M. C. A. physical director, C. W. Gamble and the Camp Eberhardt staff.

Nothing will be left undone to get the one hundred aspirants for the grid team in the "pink." A schedule has been established and the ration will be of the sort which will satisfy the hunger of young men, who have been subjected to hard preliminary training and workouts.

The camp at Lake Wawasee last fall was a huge success, about 50 men attending. Burnham instilled into his proteges the rules of the game, as well as much personal tutoring. This year, Burnham has a list of
